**INTRODUCING A NEW CLASS OF SHADE**

Curated shade for hospitality spaces

SHADOWSPEC UNITY™

page 4

Engineered and hand-built at the Heron Base, the Shadowspec Unity™ is our new flagship premium outdoor umbrella. We've created an umbrella that stands up to everyday use whilst being easy to use and quick to deploy.

SHADOWSPEC SERENITY™

page 10

Rotate your way to perfect shade with the exceptional design of the Shadowspec Serenity™. Our smart umbrella is designed to be adjustable and enduring. Lighten the load with Shadowlift technology and a built-in LED light.

Introducing a New Class of Shade.

Shadowspec’s collection of outdoor umbrellas provide class and style to outdoor settings no matter the location. With over 25 years’ experience in research, development and manufacture of shade and protection products, Shadowspec has built an unparalleled product range with a reputation of real-world value - supplying world-leading designs with enduring quality.

Shadowspec outdoor umbrellas are constructed from marine-grade materials including stainless steel and single-extrusion aluminum. Our comprehensive range of quick-ship stock and custom fabric colors provide exceptional UV sun protection, are water-repellent and color-fast. Our elegant, effortless shade systems are here to help you sculpt your outdoor space into an iconic, warm and welcoming space.

SU2

## SHADOWSPEC **UNITY™**

### The Evolution of Shade. Innovative, modular and exclusive.

The Shadowspec Unity™ has been crafted with premium-grade aluminum and stainless steel to provide you with an umbrella that stands up and stands out.

Every component is designed and engineered to survive in the wild. Taking inspiration from nature, this flagship model is easy to open and looks stunning in any outdoor setting. It's an outdoor shade solution perfect for hospitality.

The Shadowspec Unity™ sits squarely (or octagonally) in a class of its own. You'll find no antiquated crank handles, cables or internal moving parts that create a laborious process and are prone to breakage.

You'll continue to be inspired by this brilliant, modern and modular outdoor shade umbrella. The needle-shifting features get better with every open and every new discovery of innovation you make.

## SU10

### COMMERCIAL CENTRE POLE UMBRELLA

**Tough, generous, and practical.**  
**Heavy-duty protection for enduring spaces.**

Designed to cover a wide range of applications and spaces. The heavy-duty SU10 Commercial Umbrella is engineered for hospitality proprietors to get the most out of their outdoor and alfresco spaces. Large outdoor umbrellas lower the setup time for staff and cover a substantial seating space, with just one product.

The true power of the SU10 is the telescopic mast design. This feature allows the SU10 to close above the standard height of the furniture. This large umbrella is available in multiple sizes, colors and configurations, with Surface Plate, In-ground Anchor or Portable Base mounting options.

\*Minimum Order Quantity & Lead Times apply.

Features at a glance

- Commercial grade aluminum frame structure
- Stainless steel hardware for longevity
- Durable high performance hub and fittings
- Telescopic mast enables umbrella to clear most furniture when closing
- Robust 82.5mm / IMM mast with 3.4mm wall thickness
- Custom designed protection cover included
- Tough, commercial grade 50 x 25mm strut arm profile
